BDC Courier Services Expands Alberta & Saskatchewan Service

Michael A. Manchon, President of BDC Courier Services, announced that BDC has secured the contract to service all courier (non-monetary) work for the chartered banks in Alberta and Saskatchewan. Service will commence on June 1, 2002. BDC currently services the bank courier contract in British Columbia.

Commenting on the awarding of the contract Mr. Manchon said: "We are delighted by this announcement. It demonstrates that a Western Canadian based company can compete against international players" Mr. Manchon added that " BDC's number one priority is and always will be 100% customer satisfaction, the awarding of these contracts demonstrates what happens when we put the customer first."

BDC will increase its facilities in both Alberta and Saskatchewan, in addition it will be adding full and contract positions to service this new contract.

BDC is Western Canada's fastest growing overnight courier. Established in 1997 BDC offers same day, overnight and extended courier services throughout Western Canada, across Canada and around the world.

BDC is the Official Overnight Courier of the Vancouver Sun Run.
